Respect the Process

You and Me

I don't have far to go to be free
Just this one time
To forget my fears and let me be me.

I have forgotten my burnt out past
Let my soul go
Start over without demons to be cast

Tonight is the night we can make it happen
Tonight is the night I am free
Tonight is the night, gonna unleash all of me
Tonight it is just you and me

Maybe we will meet again some day
A brand new start
Maybe I will forgive myself in some way

Now that I found my way, to be free
Living my dreams
A new life and soul, finally I'm me

Tonight is the night we can make it happen
Tonight is the night I am free
Tonight is the night, gonna unleash all of me
Tonight it is just you and me

Lyrics - Perkins, Jagenteufel
Music- Perkins

Als geborener des 20 ten Jahrhunderts
Gehe ich durch meine Stadt
Vieles hat sich verändert
Und oft bin ich es satt
Zuzusehen und kann ich es verstehen
Es war mir klar
Die Veränderung spürbar
Dennoch nicht vermeidbar
Ich schau mich um und fühl mich fremd
Hab ich den alles verpennt, alles verpennt

Chorus

Ich bin fremd ich bin fremd,
Obwohl ich dachte das mich jeder kennt

Völlig kaputt geh ich nach Haus
Zieh noch meine Jacke aus
Liege am TV
Zipp umher
Mord und Totschlag verfolgen mich sehr
Ob Grün oder Blau ist mir egal
Wir alle haben doch nur eine Wahl
Rauch noch eine und nehm noch ein Bier
Ich glaub die Aliens waren hier, waren hier

Chorus

Sitze hier
Frier obwohl mir warm
Hab und spür ein bisschen Scham
Denk kreuz und quer
Das Leben schwer und völlig ungehemmt
Erkenn ich, ich bin nicht fremd

Ich bin nicht fremd,
Obwohl ich dachte das mich keiner kennt

Lyrics – Weling
Music – Chrysler, Perkins

Star Traveler, that's what I want to be
Out with the stars
It's a better place, for me
My first stop, was the glowing moon
Finding nothing, except myself

Chorus
I found out, I just needed more
So I went through
The Galaxy
Galaxy
Leave it all behind
That's the trip... For me!

Who needs warp speed
When you have peace
I will take my time, to see everything
Pack my ray gun
Maybe have some fun
Meet with green men
With no money

Galaxy

Chorus

Make my way through, the Galaxy!

Chorus

That's the trip, that's the trip, that's the trip - for me !!

Lyrics - Perkins, Weling
Music - Perkins

Your face says it all
I can tell that it's done
Why didn't you call?
Once again your cruel heart won

Chorus
You're sick and ugly
Tear me up inside
You look at me smugly
Ain't nowhere to hide
I stay happy in my prison
I think I'm in love with you

Remember the years past
Our passion was beautiful
Knew we wouldn't last
Happiness turned to painful

Chorus

Content to be used
By such a smart, pretty girl
Our paths became fused
Our two hearts, one broken world

Chorus
